Maria Magazine: a retomada

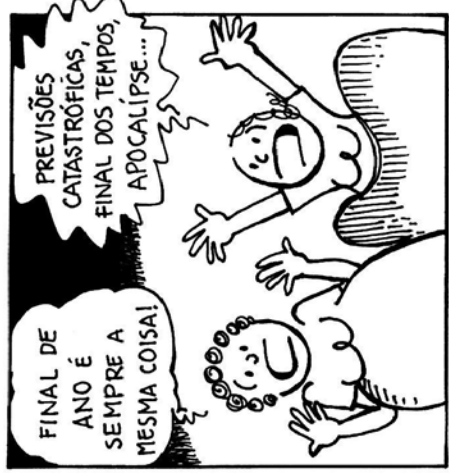

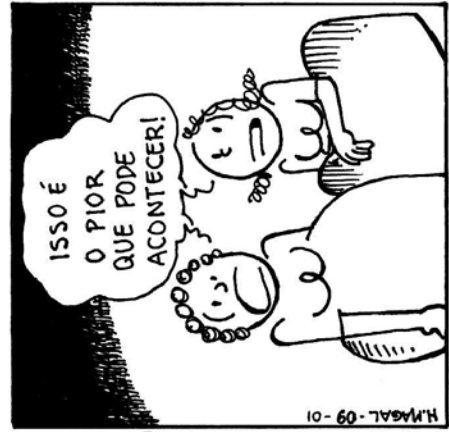

É certo que faz um bom tempo que nossa revista não dá as caras – ou as capas, como seria mais apropriado –, mas aqui estamos com mais uma edição de *Maria Magazine*, para satisfazer o prazer do público. A proposta continua a mesma, reunir uma gama de autores amigos para fazer uma revista humorística, usando as tiras como expressão principal.

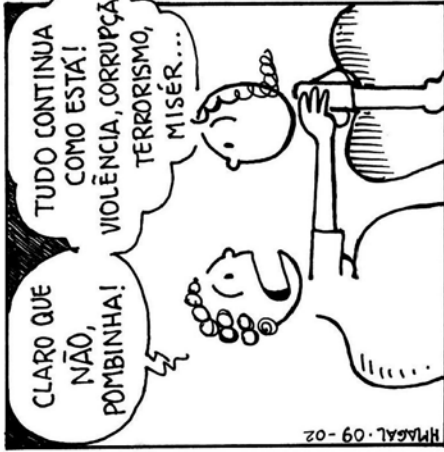

Neste número, compilamos as tiras da fase mais recente da série *Rendez-vous*, com destaque para a personagem *Maria*, publicadas originalmente no sítio da Marca de Fantasia. Essas tiras podem ser consideradas como a retomada da personagem, que andava ausente das pranchetas e dos jornais. Os convidados desta edição são os autores classificados na terceira ocorrência do Concurso GAG de tiras humorísticas, certame promovido anualmente pela editora. Esta edição da *Maria Magazine*, portanto, serve como catálogo do concurso, apresentando as tiras do vencedor Marco Oliveira e dos outros autores participantes.

GAG: franquia de bom humor

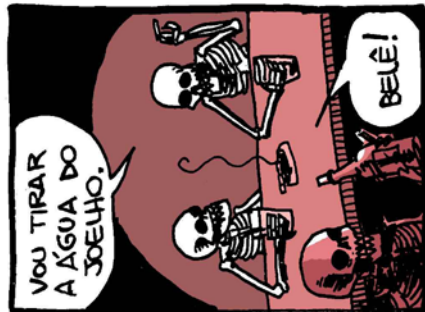

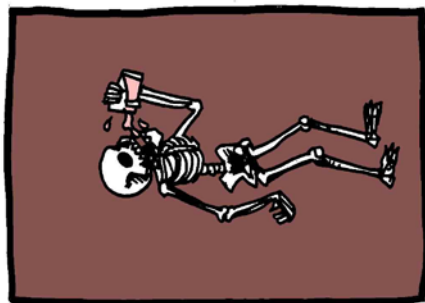

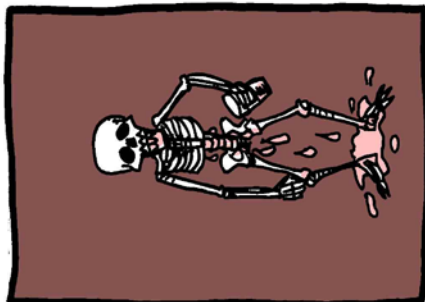

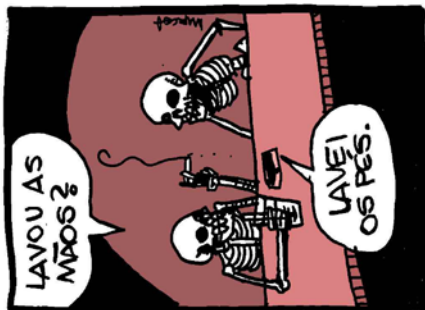

Em 2011 a editora Marca de Fantasia realizou, juntamente com o Mestrado em Comunicação da UFPB e com apoio da livraria especializada Comic House, a terceira edição do concurso de tiras humorísticas GAG. O objetivo é estimular a produção de tiras no país e sua difusão, por meio da edição de catálogo e exposição. O concurso faz parte da programação do seminário *Quadrinhos: reflexão e paixão*, promovido pelo Programa de Pós-Graduação em Comunicação da UFPB, que inclui palestras, exposições e lançamento de livros e álbuns.

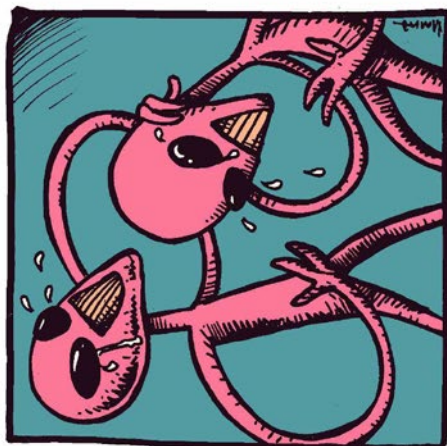

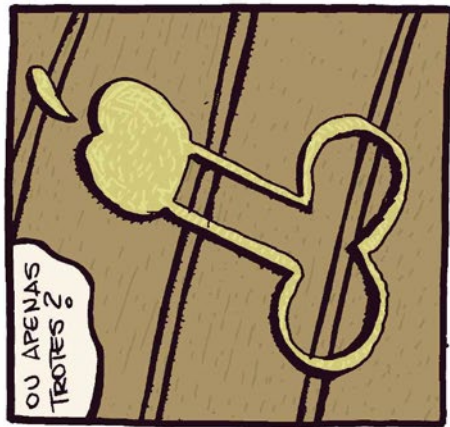

Das 20 séries inscritas, quatro foram selecionadas, segundo a avaliação dos membros do Grupo de Pesquisa em Humor, Quadrinhos e Games, do Núcleo de Artes Midiáticas do Programa de Pós-Graduação em Comunicação da UFPB. Quebrando a sequência do concurso, que gerava a edição de um catálogo em forma de álbum, as quatro séries de tiras estão circulando nesta edição da revista *Maria Magazine*.

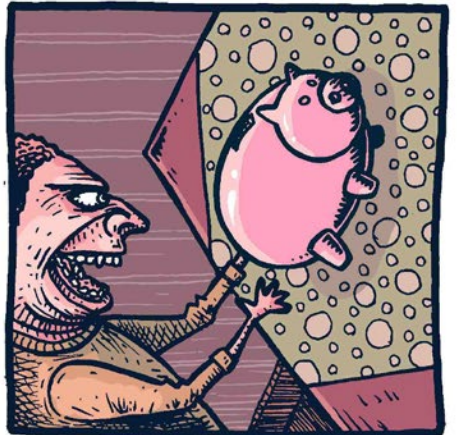

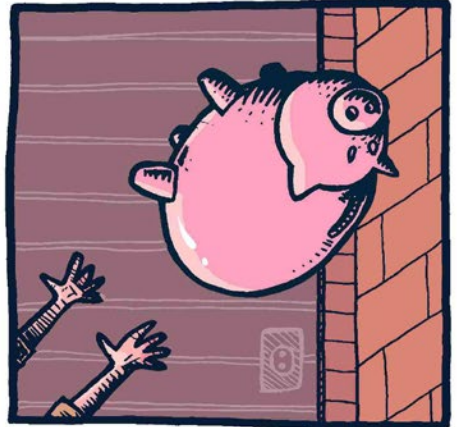

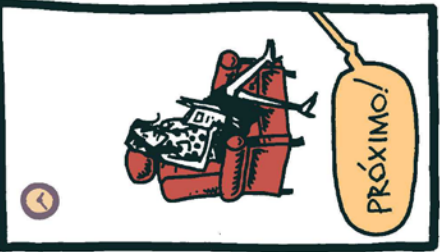

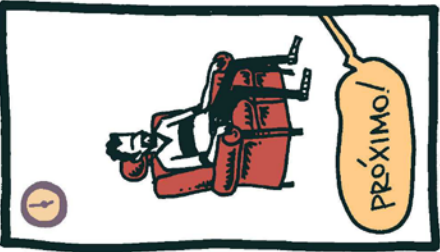

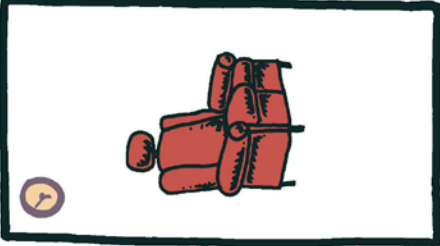

Os classificados foram Antônio Amâncio, de Natal, com *Gurumunganga*; Rafael Grande, de São Paulo, com *Capitão Pedreiro*; Samuel Gois, de João Pessoa, com *Filosofia de banheira* e Marco Oliveira, de São Carlos, SP, com *Tiras livres em doses homeopáticas*, sendo este o vencedor.
